Dear TN Bikers Education Association:

On behalf of Metro Social Services (MSS) I would like to personally thank you and your organization for your gracious contributions towards feeding more than 300 families for Thanksgiving. Your generosity during this time of year has ensured many families a "Happy Holiday."

As MSS continues to serve the most vulnerable citizens of Davidson County we deeply appreciate your willingness to partner with us on this endeavor and possibly others in the future.

Sincerely,

**Demitria Norman
Director of Adult and Family Support Services**
